Bern - thanks for drafting. Because the server was down, I didn't pick up this message, and I drafted a proposed note to Cynthia that I forwarded from my personal account.

Hey there, guys --

Take a look at the attached. I have no pride of authorship, but I think this sets out the questions we are facing.

Please see if you think there are questions we haven't posed. Also, please tentatively identify the appropriate party for finding the answers to the questions.

I know this seems overwhelming. Let me know if you have another approach.

Thanks, guys.
